Details: "This is an absolutely beautiful album...featuring Keith's mesmerizing delivery and songwriting skills... BOB JAMES, ZAMIE MUSIC, CANADA "Give yourselves a treat by ordering Keith's CD, 'Somewhere In Your Heart'. It'll knock you out...This CD should be in the top ten on Billboard with a big bullet..." SONG DOMAIN, A NEWSLETTER FROM JK MUSIC BMI "Cream of the crop of indies...on the verge of making it" DJ PAULIE, WSAM-FM Radio, Hartford, CT. "Soul with a tender edge." THE STRANGER, SEATTLE "An infectious brew of salsa, pop, jazz and more... bringing thoughts of Santana, Bob Marley and many others." GLENN REED, SEATTLE PRESS What do you get when you combine butt-shaking world-beat grooves with some jazz, classic R&B, a little rock, pop sensibilities, and a three-octave plus vocal range? Add in the ability to work the crowd into a sweating frenzy, whether he's fronting a full band or ripping through his lively tunes on acoustic guitar, and you get the soulful, rhythmic sound of Keith Anderson, honed through years of live shows, writing and recording, both in the Northwest, where Keith continues to perform with UCA and CAMALEON, and back to the Northeast, where Keith was a hero to the initiated in the early 1980's with several classic 45's. From the Santana-smooth pop of "I Can Make Believe" to the Sting-meets-Van Morrison romp on the title track, "Somewhere in Your Heart features Keith's ever-growing vocal, songwriting, guitar, keyboard and production skills,and puts him squarely in line with recording artists who can combine the spiritual and the physical, while all the while beguiling you with some toe-tapping grooves and ear-catching hooks. Featuring NW Emmy award winning producer Jeff Tassin on guitar, bass, keyboards and horn

arrangements, and recorded at Jeff's studio in Port Orchard, WA. Featuring Hugh Sutton on keyboards, Les Shelton on bass, plus Dori Craze and Carla Valenzuela on vocals. Somewhere In Your Heart was originally released in 2000 and has been remastered by Jake Perrine (DJSpire) for re-release on NO EXCUSE RECORDS, and is distributed through CDBaby.
