R&B "New" Pop. "Hollywood and Dreamin" is the most original musical style to come along in a very long time. A must listen. 10 MP3 Songs POP: Today's Top 40, POP: Party Pop Details: The much anticipated album, "Hollywood and Dreamin" was written, arranged, performed, produced and mastered by the man himself. The plan from the very beginning was to create a pop, upbeat, fun to play record. "I decided that no one could duplicate the sound that I was hearing in my head other than myself, not to mention the cost of hiring outside help which was financially impossible. Hollywood and Dreamin is rhythmic, funky, ballsy, very cool and also the most commercial album he has ever penned. It is absolute Keith. NO HYPE
