Country Rock/Rockabilly 11 MP3 Songs COUNTRY: Country Rock, COUNTRY: Traditional Country

Details: It all started in Pasco, Ohio with a three year old Larry riding a wooden stick with a plastic guitar strapped to his back, pretending to be Gene Autry. When Larry was in his pre-teens Larry's dad got him a real horse, and Larry would ride with a real wooden guitar strapped to his back. Now Larry Sundance Piatt rides a steel horse and delights his audiences singing and playing great traditional country. She's Sleeping Like a Baby is the first single from Larry's latest Live Wire CD. This power ballad was co-written with Doug Graham while in the middle of Larry's Live Wire project. Larry says with the great response we received we had to work it on to the CD. Larry was part of the top secret The Big Red One, 1st Infantry Division, in the U.S. Army. After honorably serving his country Larry is no longer top secret and has returned to performing and putting his audience first. Larry has performed in London and Ontario, and all over the Eastern U.S. His tour dates will include many U.S. and European cities. Larry is very thankful to his mom and dad for all the support they have given him. His dad passed away on July 13, 2006, but his dad's supporting spirit still lives with Larry. Larry is proud of his dad being a pilot in the Air Force, and says his dad has a front seat in heaven watching (me). Larry gives all the praise and glory to God for all that he has done, and all he continues to accomplish. For as Larry says without Him in my life I would have no life.
