R&B And a mixture of Hip-Hop 6 MP3 Songs HIP HOP/RAP: Southern Style, BLUES: Delta Style Details: I was born in Leland, Ms a small Delta town at the cross roads of US 61 and 82. Growing up was no cake walk, I had to stay on my P's and Q's. I put my sights on music at an early age, and from that point on, I knew what I wanted to do. When I was able to get my very own Computer, that is when I knew I had some good skills, and creativity. I quickly learned about software, and different applications. I started recording my own tracks and beats. Hats off to the early pioneers of Funk, such as B.B. King, Johnny Taylor, Jimmy Reed, Son Thomas, a native of Leland, Muddy Waters, and many, many, more. Track#1 on my album is dedicated to my mother, "Moma Give Love", and Track#2 gives you an idea how the so called Grown People Music is duped. I write all of my lyrics, and music scores, and that way I know what I feel, and why I feel the way I do, when I'm letting go of my pain, or my love. I'm proud to be "Rickey Pratt" A.K.A Lil' Ricki P., My Mom worked hard for us, so we could have a little something. I did not take on the gansta/thug roll when I was growing up, had to handle my business, and that was, my music. I have my own style, but there is a little R. Kelly, just a dab, not much, just "a tad bit". Po-Hause Klick is me and my cousin, and some more of our friends kicking it. "Klick" means you are a part of something, good or bad, we are the good guys...our main goal is to reach all of our fans, and keep them wanting more of the "Klick". Track#6 is a part of us all, "Git Dat Dough", (XXX), You Hurd????
