The greatest collection of original lullabies and children's songs ever compiled...entertaining, relaxing, calming, interesting, pleasing to the ears and the mind. 12 MP3 Songs KIDS/FAMILY: Lullabies, KIDS/FAMILY: General Children's Music Details: "Momma Will Rock You To Sleep" is a CD of 12 original songs written especially for you, your children grandchildren. Being a new grandpa myself, I wanted to have a CD of quality songs to play for little Emma Grace when she came to visit. We wrote every melody and lyric with the care and attention I find missing from most children's CDs I have heard. Emma was not a hard sell...she went to sleep the first time she heard it. THAT'S WHEN WE KNEW WE HAD A WINNER! But we had a hard time judging her reaction to all the songs...she was usually asleep before the third song ended. (Many parents and grandparents buy it just because they find it so relaxing when they play it for the little ones.) Please take a minute or two and give these songs a listen. If you know of a child with a handicap of any kind, "All Shapes And Sizes" is going to touch your heart. Kids love this CD. Their parents love this CD. Their grandparents love this CD. You will, too!
