Introducing Pastor Perry L. Mamon, Jr., and Perry S. Mamon III, known as MAMON MAMON, with their unique style were certainly Born To Be Stars For God. Their talents are being unleashed in a timely fashion to minister the Gospel Of Jesus Christ to a world of confusion in which we live. Originally from gospel music to secular, and now to Contemporary and Traditional gospel, has returned them with a flavor to their arrangements that will truly be noticed by thousands, if not by millions. This Dynamic Duo consisting of father and son, could easily be acclaimed as the "Bat Man and Robin," or the O'Jays of gospel music, has pulled out all of the stops, and has left nothing to be desired in their renditions of "Everlasting Love," "He Is," "All Of God's People," "He's The Only One I Love," and their musical arrangement of "I Won't Complain." The Spirit of God can be felt as their melodic voices ring out in praise the notes with the anointing of the Holy Spirit which you will feel as you listen to these great songs. Pastor Perry L. Mamon, Jr. (Dad), his son Perry S. Mamon III affectionately calls him, is the Senior Pastor and Founder of the New Faith Temple Pentecostal Church of God In Christ of Aurora, Illinois. He has been the Shepherd of this flock for 14 years ministering Holiness, and Deliverance to the Body of Christ. Pastor Mamon truly believes that man has to be built from the ground up. His passion for singing started over 35 years ago with some of the well-known Gospel Groups and Artist in the Chicago area, and have toured with some of the best in the world in Gospel Music. Pastor Mamon and Perry S. Mamon III recorded a secular album in 1985 called "Stay Sunshine." This endeavor landed them in London, England for the signing of a

distribution contract for their album offered to them by two different distributing companies in 1987. This apparently was not the Will of God for their musical careers. "We took notice that everything we were doing in the secular musical arena had no real weight, just a quick thrill and excitement for the moment," says the Mamon's. Nevertheless, God has kept them together as a joint venture. Each of them has their own identity to their musical style. For thirty or more years, Pastor Mamon has sung with various gospel groups. The longest time span was spent with the "Dynamic Mighty Wings." Perry S. Mamon was the Rhythm Guitarist for many years for the group. He received his first musical instrument at the age of six, and by the age of ten, he was found doing phenomenal things with the guitar that was mind -boggling to his instructors. If you would give a strong listening ear, you might be able to pick up a little of George Benson, and Wes Montgomery, which are his favorite artists. These super stars has performed with many of history's greats, and Grammy Award Winners such as, Shirley Caesar, The Mighty Clouds of Joy, Reverend Al Green, The William Brother's, The Mississippi Mass Choir, Reverend James Moore (Deceased), The Dixie Humming- Birds, and many, many, more. God has anointed each of them with a special anointing for writing, arranging, producing, and as vocalist. Perry S. Mamon is an accomplished musician, and plays four different instruments professionally. He is the genius behind the music. He attended Eastern Illinois University, North Park College, majoring in music. He is the eldest of three sons. Troy Mamon and Kurt Mamon are the other two sons, who takes care of the music business for the team, which allows Perry S., and Perry L. Mamon to concentrate on their music productions. The Mamon's has just launched their record label MMI Records, Inc., and Publishing Company, Mamon's Movement Music, and their own Entertainment Agency. Be sure to catch them in one of their soulful live performances. Let the anointing fall on you from this heart-warming CD. You won't be the same. Minister Troy S. Mamon
