

Mp3 Pablo Regnando - All;

[DOWNLOAD HERE](#)

The music of this CD can be understood as the conscious reunion between my ripeness as composer and my ease as guitar player. It is a Guitarwork that includes a wide and varied scale of tunes in the South American Latin Jazz Fusion style. 12 MP3 Songs JAZZ: Jazz Fusion, LATIN: Latin Jazz Details: Pablo Regnando is a guitarist and composer borned in Argentina in october of 1963. He studied with Masters of Classic Jazz guitar and also he was a pupil of the National University of La Plata doing the career of Licentiate on Music with orientation to harmony and composition. He was a teacher of conservatory and he handled several workshops of modern guitar. He worked from youth as guitar accompanist and also as soloist. He experienced his own fingerstile on classical guitar up to developing particular skills in the electric guitar. He have a few awards as a Jazz guitar soloist and as composer in his country, Argentina. Now he's living in Spain since 1996, when he obtained a scholarship to travel to Europe. He have his own quartet and also he is one of the composers and guitarist in a group so-called "Confluen-jazz". Now he's forming his NEW Trio that will sound really very cool, with acoustic repertoire and very "southern" and warm music. More info at: myspace.com/regnando
