To show for it he had a vinyl "scrapbook" of odds, ends and curios. Acetates of "Tomorrows Children", death discs by "The Teenage Polecats", singles, albums, promos and remixes from the likes of "The Boys From Bendy Bow", "Stadium Dogs", "Magnus Ugly", "Barley Mo", "Cube" and "The Trainspotters". None of which had quite managed to set the world on fire. He also had two autographs. Otis Redding and Son House. Since his "retirement" Peter has become a regular feature on the Swindon, Wilts and surrounding area music scene. Apart from the bands formed to support his original projects, Peter has fronted R&B garage guitar based bands, and an eleven piece 1960's Soul Revue. He also works as a D.J. specialising in roots, northern soul, ska, reggae, and psychedelia. Peter currently performs with "The Teddy White Experience" "The Mill" and "The Eastside Blues Band". He also performs as an acoustic artist accompanied by upright bass, banjo and percussion.
