Although it features the songs of first-rate Los Angeles and New York songwriters and the stylings of some of New Yorks finest musicians, it is Stuarts positive message that truly carries through. More recently, Stuart was seen singing with the Indianapolis Symphony Orchestra with Gospel legend, Sandi Patty. On the theatre stage Stuart has been seen in The Ten Commandments, starring Val Kilmer at the Kodak theatre, 110 in the Shade at the Pasadena Playhouse, starring Marin Mazzie, and playing the title role in the Phoenix Theatres production of Beauty and the Beast. In addition to being an actor and a singer, Stuart also is a Corporal in the US Marine Corps Reserve. Hes proud to be a part of one of the best infantry units in the USMCR 2/23 Marines! Interestingly, with this albums positive theme that were all going to make it through the storm, it is here in this album where Stuarts artistic journey, faith and military service all meet.
