Folk troubadour, punk rock poet, captivating pianist, pop craftsman, and dazzling showman, Northern California-based singer, songwriter, pianist Gentry Bronson and his band's 2005 release. 11 MP3 Songs
POP: Piano, POP: with Live-band Production Show all album songs: Rain Come Down Songs Details:
Singer-songwriter-pianist-producer, Gentry Bronson, formed the Night Watchmen in 2001 and released 3 records under the name. Sometimes compared to Wilco, Nick Cave the Bad Seeds and Ben Folds Five, the Night Watchmen changed members a few times but Gentry continued as leader and songwriter throughout the 4 years of the fedora and the tie. Driven by an indie ethic, Gentry has released seven records since 2001. "Rain Come Down" was released in 2005. Gentry has performed around the world and is not slowing down. His dramatic and soulful performances continue to receive rave reviews. And his varied music releases cross over many boundaries, building fans in the rock, pop, folk, jazz, blues, ambient and new age genres. Gentry's other CDs, all available through CDBaby, include: Gentry Bronson - No War Gentry Bronson Dave Hoover - Santa Fe Sky (instrumental) Gentry Bronson - Home Gentry Bronson - Tranquillo (instrumental) The Night Watchmen - Lost In California
