An intimate set of acoustic songs following the theme of love lost and found. Fans of Leonard Cohen, Tom Waits etc should appreciate. 12 MP3 Songs FOLK: Modern Folk, FOLK: Folk Blues Details: The first album produced by the Rolling River Band is a deep collection of emotionally charged acoustic songs covering the theme of love lost and found. Been a Long Time has an intimate sound with intricate acoustic melodies surrounding honest, soulful vocals. If you like any of the following you are sure to enjoy this album - Dylan, Leonard Cohen, Tom Waits, Lou Reed, Lloyd Cole. "In fact the whole album sits somewhere between Lloyd Cole and Dylan when he's at his maudlin best. The highlights are the aforementioned 'Sweet Virginia', a song that shimmies in and out as the singer growls gently and sighs, and 'On The Beach' a song featuring a wonderful chorus that goes up and then drops down gently." Russell Barker So far Blue Skies has reached no.9 in the American Idol underground folk charts and also won awards in the Garageband folk charts. We are yet to enter any of the other tracks from this album in online competitions but will do so very soon. We will also be adding a number of reviews to the bottom of this page in the near future. In the meantime please follow the link at the left of this page to our official website for more reviews from DJ's, press and more information in general.
