The hip-hop you love, from New England to Atlanta. 12 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: East Coast Details: The multi-talented hip hop artist known as Triple Threat is set to be the next big thing in the rap game. Only 21, Threat has seen and been through a lot and has a lot to say. And because he has lived his life between Hartford, CT and Tallahassee, FL he has developed a style that combines the east coast swagger with the dirty south flow. Those very different hip hop communities influenced Threat's style. Not just your average rapper, threat mastered both styles so well that he can give you either as if you are hearing two different people. What makes him a triple threat is the added personality he calls "Tony Pickles". When he performs in that persona look out, because he gives a much needed dose of entertainer to the hip hop game that is better heard than described. On his much-anticipated debut, Trips Up, Threat showcases his unique brand of hip hop that is sure to make him stand out. Featuring production from hit maker Dominic "Domwan" Durham (Joe Budden, Mos Def) and GrizzRock production genius Kilo Kidd, Threat has been given a sound that will have the club crunked for years to come. Having been compared to such artists as Outkast, Ludachris, and Busta Rhymes the bar has been set high for Threat and he is more than ready to meet the challenge. You can expect to hear big things from Triple Threat. When you get this CD make sure to put it in your computer to check out the video County Blues.
