

## Mp3 Vince Littleton - Hall Of Sound

[DOWNLOAD HERE](#)

A lush sound tapestry by a world-class percussionist and friends, Hall of Sound is a soundtrack in search of a film. 10 MP3 Songs WORLD: World Fusion, ELECTRONIC: Ambient Details: Vince Littleton currently tours with Super Diamond. He spent seven years touring and recording with Merl Saunders the Rainforest Band, and three years with The Mermen. He can be heard on CDs featuring such artists as Dr. John, John Lee Hooker, Bonnie Raitt, Rick Danko, Trey Anastasio, John Popper, J.G.B. and Johnnie Johnson. He has also collaborated on soundtracks including Tales from the Crypt, Nash Bridges, and video games by Sega and Electronic Arts. His new CD, Hall of Sound, is a mixture of world music and techno-ambient music. It features many talented San Francisco Bay Area musicians who added colors and textures, creating a stimulating listening experience.
