The word "samurai" evokes intense images of indomitable warriors, expert swordsmen capable of taking on overwhelming odds-and emerging victorious. But this popular image only brushes the surface of the samurai tradition. The Samurai Swordsman: Master of War brings to life the history behind the courageous and highly disciplined fighting men of early Japan. Authoritative military history expert Stephen Turnbull shows how the samurai evolved from the primitive fighters of the 7th century into an invincible military caste with a fearsome reputation. Many aspects of the samurai and their military significance are covered, including the cultural reasons why the elite mounted archers originally emerged in Japan; their wars against pirate invaders; how samurai masters taught the next generation; the women samurai and their accomplishments; and much more. Illustrated with full-color historical images that show the samurai tradition in fascinating detail, The Samurai Swordsman is an invaluable guide to an enduring legacy.
