

Heart Of Judgment

[DOWNLOAD HERE](#)

The Heart of Judgment, which was originally published in 2006, explores the nature, historical significance, and continuing relevance of practical wisdom. Primarily a work in moral and political thought, it also relies extensively on research in cognitive neuroscience to confirm and extend our understanding of the faculty of judgment. Ever since the ancient Greeks first discussed practical wisdom, the faculty of judgment has been an important topic for philosophers and political theorists. It remains one of the virtues most demanded of our public officials. The greater the liberties and responsibilities accorded to citizens in democratic regimes, the more the health and welfare of society rest upon their exercise of good judgment. While giving full credit to the roles played by reason and deliberation in good judgment, the book underlines the central importance of intuition, emotion, and worldly experience. EAN/ISBN : 9780511243394 Publisher(s): Cambridge University Press Format: ePub/PDF Author(s): Thiele, Leslie P.
