The best talents combined into one authentic, fun, creative and loud pop alternative album 12 MP3 Songs
POP: Today's Top 40, ROCK: Modern Rock Details: Following the local and extended success of his premier album, "Green" Andy gathered the very best of talents to release his latest album, "More than Words." Fresh from the LA studios, Andy unveils his most mature art as singer, songwriter, and solo artist. The collection of 12 songs is a colorful array of textures and sound that make this album More than Words - a mixture of mainstream solo rock and spiritual that blends influences such as Sting, Delirious, James Taylor, and Radio Head. This album is pure gold from track 1 through 12! With engineers, producers, and session players who have worked with the likes of George Benson, Pat Metheny, Toots Thielemans, Ray Charles, Kenny G, Michael Bolton, Celine Dion, Andrea Bocelli, and Metallica, you couldn't purchase a better sounding album! This CD marries Andy's passions into one incredible release that is sure to make ripples. Grab your copy today and see why this album is More than Words!
