The Westcoast is officially at war. With the Richmond, California Pioneer of the Bay Area Gangster Mob sound. B-Dub is back with his comrades, to take over the west coast, and then the world. War has been declared. 13 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: West Coast Rap Details: B-Dub of the MOB C.I.N. has returned! After releasing what the streets has now voted in underground classic in 1994, The 94 Mobsters made the game take notice. After selling over 100,000 independently, the group was faced with it's first taste of Hip-Hop adversity when the founding member J-Jona was wrongly incarcerated. With the flame still burning on the streets, the group went on to crate some of the hottest underground projects and series of compilations and mixtapes. This pyro-maniac has called on all of his new and old alliances, to declare World War I on the streets of the West Coast!
