contemporary singer song writer with an eclectic blend of rock, folk, soul, jazz. 10 MP3 Songs ROCK: Folk Rock, JAZZ: Smooth Jazz Details: Chip Wilkins announces the release of his long awaited CD. Chip a native of Houston Texas, has resided in Philadelphia Pa. since 1997. He was formerly a studio musician in Hollywood California in the 1970s and a contemporary of the California singer songwriter movement. He is a veteran of the Austin music scene, where in the 1990s he was a member of the highly in demand "New Cairo trio" cafe jazz group. The CD is a collection of confessional songs written over the years. His music is an interesting eclectic blend of acoustic folk, Jazz, rock and contemporary styles..... Who says that the singer songwriter concerns end at age 35. Chip Wilkins has compiled a collection of songs that reveal the reflections of a generation that has hardly faded to glory. A veteran of various musical camps, his "Songs From The Couch" Speaks to all those who will inevitably recall Life's changes, colors, turns and exuberance............................... 5 Stars
