

Mp3 Collide - Beneath The Skin

[DOWNLOAD HERE](#)

Sensual, powerful, exotic, and alluring... COLLIDE is at once deep and smooth as glass, with undulating waves of sound that seduce the senses. 12 MP3 Songs ELECTRONIC: Industrial, ELECTRONIC: Trip Hop Details: Described as beauty with an edge, Collide merges industry and passion within swirling layers of sound, emotion and poetry. Collide features the dynamic , lush, mechanical soundscapes of Statik, a mster of sound orchestration who uses machines as instruments, and turns technology into art; and kaRIN, who creates the sensuous moody vocals and surrealistic lyrics that give Collide its seductive sound.
