

Mp3 Dan Pound - Reflections

[DOWNLOAD HERE](#)

Shamanic New age soundscapes for meditation and relaxation. Using native American flute, Didgeridoo, voice, guitar and synth textures, it is a pure flowing of mystical beauty and a release of the soul. 9 MP3 Songs NEW AGE: New Age, ELECTRONIC: Ambient Details: "STEVE ROACH meets TANGERINE DREAM" Shamanic, HEALING, transcendental MEDITATION music at it's best. Dan Pound, creator of shamanic, ambient electronic, new age soundscapes brings forth his 6'th release, "Reflections". It's his most LUSH and soothing work so far. Moving and stirring the soul deeper with each listen. Using intricate layers of synth arrangements and poly-rhythms, he also brings in the organic with DIDGERIDOO, Native American FLUTE, hand drums, rain stick and voice and other various ETHNIC instruments. "It's music to close your eyes to and feel the soul" My personal guarantee: If you buy this CD and within 30 days of listening you are not completely satisfied for any reason, you can return it directly to my address and I'll mail you a full refund....no questions asked. All that is required is that you give it a fair number of plays to be sure. I am that positive that you will enjoy this CD.
