I have composed and solely produced this outstanding CD of great new age electronic world music: Soul Storm. My Soul Storm is the musical marriage of electronic, classical, new age, and rock music into a powerful and vibrant new musical experience. I have combined beautiful, haunting, interweaving polymelodies with moving and dynamic rhythms to highlight my own unique compositional style. This outstanding project has culminated in the production of thirteen exceptional new songs and a full CD of almost one hour and twenty minutes in length! As a composer, I endeavor to fill up the page as well as the disc in order to give my fans the most music for their money. For a representative introduction to my music please audition the title track (#3). If you like it, and I know that you will, continue listening to the rest of this great new CD. Also, check out my Native American release: Indian Song (#13). Each song has it's own unique flavor. SOUL STORM is visceral and alive. It is a musical journey. This is a completed production; not a demo. Although I have been playing and teaching classical guitar for most of my life, I do not consider myself to be a performing artist, and I am not seeking a performance contract. I have produced "SOUL STORM" simultaneously in both CD and high resolution DVD Audio formats in order to achieve the best possible sound from each. Printed scores are available. I will soon begin work on my next CD of great new age electronic world music: White Wolf.
