

Mp3 Eco Del Sur - Mixed Colors

[DOWNLOAD HERE](#)

Traditional and contemporary music from the Andes and Latin American regions. A variety of rhythms influenced by the Pre-Columbian, Spanish, and African cultural heritages 12 MP3 Songs WORLD: Andean Folk, LATIN: Latin Folk Details: Eco Del Sur means echoes of the south and the group was founded in 2000 with the idea to preserve the heritage and culture of different Latin American regions. The groups first album was released in 2001. The performers include Leonardo Vera and Claudia Leyton from Chile; Jorge Gomez, Jose Fernandez and Julio Verano from Colombia; and Fabricio Hernandez and Fabian Manjarres from Ecuador. Each member has mastered several indigenous and contemporary instruments. Some of these instruments used by Eco Del Sur include: zampoas, quenenas, quenachos, antaras, zencas, rondador, ocarinas, moxenos, flute, soprano sax, clarinet, charango, mandolin, guitar, Venezuelan cuatro, Colombian tiple, bass, congas, bombo, tambora, bongos, Peruvian cajon, maracas, guiro, claves, rain sticks, guaza, chakchas, etc. The music of Eco Del Sur includes a wide range of styles and rhythms. Some of these rhythms include the huayo, sanjuanito, carnaval, chacarera, joropo, zamba, cueca and were influenced by the Pre-Columbian and the Spanish cultural heritages. Other rhythms characteristic of the Pacific Coast, Atlantic Coast and the Caribbean include the cumbia, porros, guajira, lando, festejo, currulao, etc; these rhythms had a great contribution from the African heritage and culture. Eco Del Sur has performed at various festivals, universities and libraries in the Eastern United States. The band members have put a lot of hours in the composition and arrangement of their songs, and have prepared a large repertoire of famous Latin American songs that are now part of the world popular culture. People who are interested in Savia Andina Inti-Illimani Illapu should consider this download.
