DANCING ON THE BEACH Gene Mitchell's 9th CD of all original music, Dancing On The Beach has 14 BIG production songs you will come to love and sing-a-long with time after time. Gene has taken his jazzy island style to a new level that will make lovers of the islands want to head south. The new CD is also sure to get the East Coast shag dancers sipping frozen drinks and dancing on the beach in tropical places. You will be delighted with the familiar style of Gene's writing about fun, adventure, sailing, and romance in the islands. You will also be surprised how he incorporates some shag-dance music into the mix without compromising his jazzy island style. The new CD, Dancing On The Beach is almost 50 minutes of powerhouse, I mean Tiki Hut, fun with 14 brand new songs.
