Analog guitar rock, lo-fi, 8-track, garage, with harmonies and a Farfisa. 11 MP3 Songs ROCK: 60's Rock, POP: Beatles-pop Details: With a style that sounds like a cross between the Kinks and Dire Straits, The George Fryer Combo has put out an album that combines elements of the 60's with those of the new millenium. Not many musicians could pull off a unique recording like this and still make it palatable. As it is, you can't predict or wait to hear what each track is going to sound like. This also contains one of the most sublime slurs in music history on the put-down track "Rock Star!". It closes with the line "You're a genius between the sheets, You be Shelley, I'll be Keats..." This is a great release by a very creative band, well worth your time if you've got an open mind. --Skratch Magazine
