Pearl Jam with more jam - Bluesy alternative rock you can shake your ass to, but still enjoy to the vocals and lyrics. 9 MP3 Songs ROCK: Grunge, ROCK: 90's Rock Details: Hiatus is an alternative rock band with influences from grunge rock, classic rock, and blues. Hiatus is a five piece band that combines latin-influenced drumming, classical and jazz influenced bass, a grateful dead and jazz influenced rhythm guitar, a jimi hendrix and led zeppelin influenced lead guitar, and pearl jam influenced vocals and lyrics. The music makes for great background music, but you can turn it up and shake your ass, or listen as the band changes rhythms, keys, and loses and finds eachother throughout jam sessions, but with plenty of vocals to bring you back.
