Related styles: URBAN/R&B: R&B Pop Crossover, POP: Party Pop People who are interested in Michael Jackson The Jackson 5 Frankie Lymon should consider this download. Details: Isaiah Pittman V (Ip5) is an 11 year old singer/tap and hip-hop dancer that has completely broken every mold of performing. He has been performing on stage since the age of 4 and never slowed down. He has had the opportunity to perform before or with such artists as Patti LaBelle, Jerry Butler, Debbie Allen, and then Senator, now President Obama and First Lady can vouch for the huge amount of talent in this small package. He has often been referred to as a perfect combination between Sammy Davis, Jr. and a young Michael Jackson. His first single "Can You Dance" off the soon to come "In The Spotlight" album holds him to these high standards, and as always he produces.
