Neo-Soul mixed with Funk and R&B. Soulfully jam packed with rich vocals, Harmonies and live instrumentation. 11 MP3 Songs URBAN/R&B: Soul, URBAN/R&B: Funk Details: Where funk, Neo-soul and R&B collide, you'll find passionate songwriter lyricist LaTanya Lockett leading her seven member posse in search of the eternal note. Often guesting on-stage locally with and in recordings of various artists such as B-Side Players, The Revelations, Psydecar, and Inside Straight, LaTanya began her own project in 2001. Now taking the San Diego music scene with a powerful vengeance that breathes new life into an endlessly overexploited art, LaTanya's driving soulful grooves reinforce the old adage that there will be "no parking on the dance floor." After touring throughout the Southwest, including California, Arizona and Nevada, LaTanya Lockett has taken her vision to the recording studio and recorded her first Solo CD. To get an idea of LaTanya's unique and versatile vocal abilities, check out the new release "In the City" and these others the B-Side Players CD "Movement" (2001), where she is featured on three songs; Inside Straight's self titled CD(2000) and Psydecar's CD "On A Wing" (1999). Or check her out live as she plays all over the West Coast at favorite local venues. In addition LaTanya has opened for artists including Steel Pulse, Gregory Isaacs, Naughty By Nature, B-Side Players, and Wise Monkey Orchestra just to name a few. With an ability to enlighten as she excites her fans into a hip grinding booty shaking frenzy, LaTanya Lockett is a guaranteed good time.
