

Mp3 Laura Harley - Electronic: Pop Crossover

[DOWNLOAD HERE](#)

Laura Harley blends electronica, alternative rock, and pop to make music that soothes the wounds of modern life. 10 MP3 Songs ELECTRONIC: Pop Crossover, POP: with Electronic Production Details: Critics and fans alike rave about the "crystalline beauty" of Laura Harley's voice. In a time when the airwaves are jammed with the static of a world on the brink, Laura cuts through the noise. Her captivating voice, evocative lyrics, and unforgettable songs have brought her devoted fans and critical acclaim throughout her musical career (both as a solo artist and as the former singer/guitarist of the Minneapolis-based band, Sliver). On her debut solo album, written and recorded in New York, Minneapolis, and Vancouver, Laura combines electronica, alternative rock, and pop to create her own unique sound. The songs reflect many of Lauras experiences over the past few years including a spiritual pilgrimage and her work as an artist and a life coach. She explores themes of search, struggle, hope and courage. The result is a collection of songs rich in melody and meaning music that soothes the wounds of modern life. For more information and tour dates, visit lauraharley.com. "Laura Harley doesnt have particularly large hands, yet she routinely finds entire audiences sliding into her palm at the drop of a single lovelorn melody. --Sidewalk.com Laura Harleys vocals careen from smoky and wicked to angelic whispers. --Star Tribune Laura Harleys voice is crystalline beauty. --Toast A lyrical sense of place and feeling that most musicians are too busy and too cynical to bother with these days. --The Minnesota Daily Laura Harleys spot-on vocals coo and cry.always a treat and always a complete catharsis. --Pulse
