This is very special music for babies and children upto the age of 10. It is a very well known fact that while a baby is growing in the womb music is very soothing and comforting for your little one. Once baby is born, music is a vital tool for development. 6 MP3 Songs KIDS/FAMILY: Lullabies, KIDS/FAMILY: General Children's Music Details: Lloyd-Powell Productions is a division of MusicalTools. We write, perform and record all genres of music from jingles to jazz, we cover the lot. This music was created specifically for babies, toddlers and children up to the age of 10 years. It was tested for 4 years on children of varying ages and has proven to be a complete success for helping babies sleep (sometimes Mum as well), helping toddlers both sleep and play nicely together and generally setting a calming atmosphere. Parents who have discovered this music will not be without it.
