

Mp3 Michael Friedman - Diamond Space

[DOWNLOAD HERE](#)

A courageous mix of deft fingerstyle guitar playing, explosive musicality, impassioned vocals, and incisive lyricism. 16 MP3 Songs FOLK: like Joni, FOLK: Power-folk Details: At once a mixture of explosive musicality and close intimacy, expressive guitar technique and passionate vocals, Michael Friedman makes full use of a passionate and powerful 3 1/2 octave voice, a stunning and eclectic "New Acoustic" guitar playing approach, and the entire range of musical genre. He has been touring extensively in Canada, the United States and Europe in support of 3 solo CD releases. "Diamond Space" is Michael's long awaited third solo album, and his most intimate production to date. "Friedman shines....his impressionistic guitar supports perfectly...." John P. McLaughlin, The Vancouver Province
