

# Mp3 Mona McCall - Memories Love A Melody

[DOWNLOAD HERE](#)

Heart of Texas Records presents Mona McCall's very first project filled with great music done in a special Texas style full of great steel guitar and fiddle and produced by Justin Trevino. 12 MP3 Songs

COUNTRY: Traditional Country, COUNTRY: Honky Tonk Show all album songs: Memories Love A Melody Songs Details: Heart of Texas Records is proud to announce the release of Mona McCall's first CD. Memories Love A Melody was recorded at Justin Trevino's studio in San Marcos and allows the accomplished vocalist to shine on twelve great songs. McCall borrowed a couple of songs from Country Music legend Webb Pierce and added her own unique touch to Sweet Lips and Memory Number One. She chose to keep some of the song selection in the family allowing her daughter Guyanne McCall and her sister in law Diane McCall to write At Least I Get To Hold Your Memory Near I Haven't Been Loved Since You Left Bandera and The Girl Behind The Frown. McCall's producer Justin Trevino also adds his vocals to the duet of Five Minutes of The Latest Blues. McCall added two of her most requested songs in The French Song and The Deepening Snow. Memories Love A Melody is rounded out with some more classics including the Bob Wills standard Keeper of My Heart, Buck Owens Till These Dreams Come True and the great gospel song Remind Me Dear Lord. In his liner notes, Country Legend Ronnie Milsap said The song selection on this album is incredible and if you love good traditional Country Music as I do, this one is a must for your CD collection. It was very evident in the production of this CD as to the effect that McCall has had on the musicians. While working on this album, producer Justin Trevino said the musicians all worked extremely hard to do their best for McCall showing their level of respect and admiration for the album and the singer as well. The end result was an incredible album forty years in the making. The musicians include Jake Hooker, Justin Trevino and Bob Moore on bass, Bobby Flores on fiddle, Jim Loessberg, Dixie Hankins and Smiley Reynolds on drums, Dicky Overbey on steel guitar, Dave

Billie and Levi Mullen on lead guitar, Justin Trevino on rhythm guitar, Cody McCall, Justin Trevino and Guyanne McCall on harmony vocals. I am very choosy about the music I listen to, Grand Ole Opry star Connie Smith said. I like the real thing and this is the real thing.
