Love machines on drum machines bringing back the electronic groove, old school hip hop and classic soul of the cassette deck generation 5 MP3 Songs in this album (26:41) ! Related styles: ELECTRONIC: Pop Crossover, ELECTRONIC: Electronica People who are interested in Prince Chromeo Calvin Harris should consider this download. Details: After the underground buzz of 'Girl/On/Girl' (from their debut album Flight Night, MUDDYLOOP have put together a remix package for all the electro-funk, dance punk lovers out there. As well as the classic original version this EP delivers two stunning remixes guaranteed to get the dance floors slippery. Hot new music stallion Station X kicks electro dirt in the face of the original with his big 80s synth-sexed remix while New York based Myspace phenomenon, Terror Dactel, reworks the quirky vocals into a dance punk anthem that will have you smashing chairs over your own head. In case you still don't know, MUDDYLOOP is Blonde Peterson and Metro Williams: production duo, song-writers and sex symbols. Yes, sex symbols. Blonde and Metro landed on this Earth to bring to you their endearing mash-up of electronic soul and groove: pseudo-pop with synthesized instrumentation and featured vocalists. Inspired by, and fusing influences as diverse as Prince, Midnight Star, Bronski Beat and Grandmaster Flash, MUDDYLOOP bring a different sound to the table: horny pop, electro sex, and future funk. The MUDDYLOOP sound is built upon imaginative song writing, old school production techniques and sounds, and, most importantly, their quirky characters. They create genre-bending songs to break hearts, spread legs and shake booties. Get your ticket to ride!
