

# Mp3 Odara Productions Presents: A.s.e, Deftouch, Mustafa Akbar, Nomo - Transitions

[DOWNLOAD HERE](#)

Odara Production presents Transitions. A delicious mix of urban musics featuring strong vocals and head-noddin' beatz from A.S.E, Def Touch, Mustafa Akbar, and Nomo. 12 MP3 Songs URBAN/R&B: Funk, ELECTRONIC: Dance Details: This is the beginning of a musical legacy. "Transitions" -the compilation- spotlights four innovative new projects as they crystallize their sound for music lovers world wide. The array of music offered by The acts: "A.S.E.", "Def Touch", "Mustafa", and "Nomo", covers Funk Soul, House, Hip Hop, Rock, and even African influences. The album: four musical forces in transition; Musically it's not a starting point, but it is a departure. It's really the process of the music leaving the basement and reaching fresh ears. Letting these songs live out there own lives from one form to the next, in love and pain, light and sound, flesh and soul. Transitions, a quick glimpse into the world of Odara. Can you deal with righteous freakiness? If so get ready for "The Natural High", the long anticipated debut album by the inter-galactic soul superstar Mustafa Akbar(Available July 15th ) for more info please go to odaraproductionsor kizummusic.com. Coming to a galaxy near you !! Also please check out the A.S.E 12inch releases : " Ride" rmx, Wonderful Life, Tango Ya Ba Wendo, and Bongo available on Sahara Records .
