HALF WAY HOME is a musical autobiography that chronicles one man's journey in faith. From the very first track, the listener is transported into the mind of a man struggling with issues of family, work, politics, and his personal relationship with Jesus Christ. Best described as "Acoustic rock with a taste of folk," HALF WAY HOME includes simple, yet melodic acoustic guitar parts highlighted by the well-placed and recognizable sounds of harmonica, piano, organ, strings, electric guitar, bass, and an occasional violin or mandolin. At the forefront are introspective and thought-provoking lyrics presented by a vocal style that A&R executives have described as "passionate and sincere." Produced by legendary artist Joe Vitale (Joe Walsh, Eagles, CSN&Y), HALF WAY HOME also includes performances by guitarist Mark Lee Townsend (dc Talk, Zilch), session violinist and mandolin player Jeff Snauffer, and songwriter/engineer Dan Fleishour (Pure Prairie League, Kansas). Join Paul in a journey of faith. HALF WAY HOME will make you think, question, and hopefully strive to either begin or continue and strengthen your own walk with Christ.
