Details: BLACK MAN ON THE RUN Drifting away Like the setting sun ON THE STREETS He makes his way Always running from the day HIDING FROM THE SHOWERS Frightened by the light Wandering in the hollows Piece of mind no where in sight HE WISHES FOR HIS WOMAN Shes no where around Exhausted from his journey He lies down on the ground IN THE DIRT HE ROLLS Until he finds himself within a hole His tears turn dirt to mud Now his life seems like crud RUNNING FROM THE RISING SUN Lost in the corner a tiny stone From an illusive plant was it grown? The promise of peace, the assurance of joy A mate for life, a brand new toy NO MORE NEED FOR PEOPLE, ONLY A FLAME Just make sure it's real Is the name of the game HOW REAL IS AN ILLUSION How stable is a dream How do you hold on to something? That is never what it seems
