

Mp3 Raindancer - Audio

[DOWNLOAD HERE](#)

Fun, uptempo, edgy, exciting synthpop that mixes the old-school 80's sound with an almost-trancey beat. 10 MP3 Songs ELECTRONIC: Pop Crossover, POP: New Wave Details: Raindancer presents their debut album, packed with high-energy synthpop. Fun, creative lyrics combine with a slick vocal performance and fast-moving synths to make a sound all their own. Not only will be you be dancing (even if against your will), but you'll have the songs instantly stuck in your mind. Raindancer has all the elements to become an electronic pop classic.
