Her outside influences have been phenomenal as she has been blessed to sing background for Celine Dion's "Power Of The Dream" in San Francisco and has recorded a song on the album written by Lenny Williams (formerly of Tower of Power), titled, "One More Day". Rosalin's versatility and uniqueness as a pianist, soloist and organist comes through strongly throughout this cd. She even duets with 13 year old Merrell Williams, (a vocal and piano student of hers) on "Again Again" where he captures the young at heart, then she duets with Mary Riley on the song "The Praise Prayer" which is for the older traditional generation.
