Pop it in and let it play, this album is a classic. Treat yourself to Texas' newest underground king, Suav. From the freaky club bangers to songs that deal w/ real life, this album is REAL MUSIC FOR REAL PEOPLE. Don't sleep on this album. 17 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Southern Style Details: Suav might be new to you but he is far from being new to this rap game. With years of experience on his side he crushes the competition with brilliant lyrics and his Robert Beck like ability to compose a song. Simply put, "Hate Me..." is like a good book you can't put down. From track 1 to track 17 Suav gives it to you real! While other rappers try to cash in on the gangsta image, Suav gets his "Kanye" on. He is like the good guy who can't get all the way out of the streets. This concept is further broken down in the song, "Get it jumpin'" with lines like, "mistakes are costly and this one gone see 'em broke/ I'm a man, ain't trying to be hard just ain't no joke". He also caters to all car enthusiasts on the song, "Carfreaks". Be prepared, you will set the block on fire banging this track in your slab. Anyone who has been involved in a difficult relationship will appreciate, "Goin thru it" and "Goin', goin', gone". Suav also thoroughly expresses his disgust on the nationwide stereotype of Texas artist in the song Juneteenth. For all you jazzy bonafide divas out there, get out on the dance floor and make them hate you on "Sweat". Most importantly Suav keeps it pimpin' with his title track, "Hate Me From A Distance". Any playa will want to make Suav's theme music their own when they hear the line "it's like a 70's movie, some Soul Cinema sh\*\*/ Captain Evil his Hate Squad versus Suav The Pimp". Everyone should CHECK OUT THIS ALBUM!
