AN OPPORTUNITY TO WITNESS ONE OF THE MOST VERSATILE MC'S BEFORE HE REALLY BLOWS. 15 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: Hailing from the infamous East Colfax of Denver, Colorado, Tekneeks sound is one that not many people can characterize by genre. He seems to have more of an east coast lyrical style, but can also speed it up very quickly with clarity. His dialect seems to have a touch of southern in it, but at times smooth and westcoast-ish. As one of the most feared battle MC's in Denver, Tekneek established himself as the top notch rhymer in his area. After grooming his style and becoming a complete song writer, Tekneek turned his focus to albums. The power behind his voice is one that very few seem to ever have. As far as content, Tekneek is one of the most versatile writers out right now. He can go from crazy tracks like We Dont Fuck Around or These Streets and then right into a smooth track like D.U.I or Get High. If you like a more conscious, deep sound, he has 1982 or Direction of Change. He doesnt shy away from the flamboyant flossing sound either as seen on Destination and Who Am I. "All together, Tekneek will prove to be one of the greatest and most versatile MC's to ever grace a microphone." H.P. NICKLES - HUSTLA FLOW "The diversity and song structure make this a great album."
