Hi Everybody. We're back. Walt and I have written a bunch of new tunes and along with Scott, Dave, Janis, and our new drummer Bruce Gary (The Knack) we've worked them out and put together this new album for you. 13 MP3 Songs ROCK: Surf Rock, POP: California Pop Details: Hi Everybody! We're back! Walt and I have written a bunch of new tunes and along with Scott, Dave, Janis, and Bruce we've worked them out and put together this new album for you. More and more people have been telling us how the pace of their lives has gotten crazy and they seem to have less and less time to just relax and regroup. We hope that if you can't get some time to kick back at the beach, you can at least slip this disc on your player, give it a spin, and let it be your "Beach Access"!
