Loose, cool and woodsy. Music for hands on the wheel, drink in your glass and sand in your shoes. 12 MP3 Songs FOLK: Folk Pop, ROCK: Acoustic Details: "There was always music in the house. Whether it was my mom at the piano with the Lutheran Book of Worship, or my dad listening to Jim Croce and James Taylor, musically, it was a great environment to grow up in." Playing in coffeehouses, churches, and youth events in 42 states and internationally, Todd Miller (who also plays with the Minneapolis-based band, Echelon) loves good music, good food, fly-fishing and Jesus. Living in Virginia with his wife, Jennifer, and son, Sean, Todd's music offers fresh perspectives on life, death, faith and love. There From Here is Todd's first solo recording, released in 2000. It was recorded by Todd along with Jim Ryberg in Minneapolis' Tritone Studios. Guests include Lowell Michelson, Lloyd Garrelts, John Simshauser and Scott Malchow.
