As the legacy of a 2003 tour that saw stunning appearances from Westford, Massachusetts to York Harbor, Maine, to Anchorage, Alaska with four jamming appearances at Blues Central, to the top of the world with yet another opening appearance at the Talkeetna Bluegrass Festival and the release of this cd, From Chelmsford to Anchorage and Back is the living anthology of thirty-five years of songwriting that made it all possible. Tom Wirtanen was blessed to touch the hearts and minds of the legendary Seattle Slim, CJ Wilson, Vinnie Palazzano, Joey Fender, Soulman Sam, JZ, Veronica Page, Kenny Blackwell, Roe, Terry Judge, and others too numerous to mention along the way. After the cascade of overwhelming audiences, he returned home to the best fan mail one could ever receive from the Governor of Alaska himself! Thus, it is only appropriate given the truth as stated above that you now have this as that critical legacy... a complete work of art, inside and out. No effort or expense has been spared, with studio and live cuts covering 3,700 miles. As always, the promise of quality is kept. No amount of money or the almighty dollar could buy what is found herein, and thus the almighty dollar takes a far back seat to the quality delivered in each and every song. Please enjoy this immensely.
