

Mp3 Turn - 0.1

[DOWNLOAD HERE](#)

A creative and energetic fusion of instrumental guitar rock and electronic and dance music. 7 MP3 Songs in this album (31:56) ! Related styles: ELECTRONIC: Experimental, ROCK: Post-Rock/Experimental People who are interested in Nine Inch Nails Trentemller should consider this download. Details: 0.1 is the debut album from Perth outfit turn. Recorded at turns studio The Pod Bay, the music is an exploration of the integration of post rock guitar and electronic music. Every song is a world unto its own and a journey through extensions on simple and melodic ideas. From the soaring, pop influenced melodies of Searchlight to the pseudo blues inflections of Green and the ear melting straight up, rock influenced beats and noise of the second track Turn, every tune is guaranteed to grab you by the ears and pull your brain apart! Pummeling right angled rhythms with high tech drones Andrew Ryan (Fall Electric, RTR FM DJ)
