In the beautiful, historic city of Charleston, South Carolina, someone is giving new meaning to the phrase 'cheaters never win'. And the police only know what she wants them to know. Her method of attack: injected snake venom. She chooses her victims from random clubs around the city, and so far, no one has been able to pinpoint her next arena of attack. Targeting married men eager to cheat on their wives, she gives them the ride of their lives and never leaves a trace of evidence. To the detectives trying to find her, she's invisible. Detective Jaden McKoy is tired of the pile-up of bodies she's leaving behind, but what makes his job tougher is the precinct commander. She's beautiful and stubborn with great legs and a body he can't stop thinking about. It'd be a hell of a lot easier if he didn't know what that body looked like underneath the lieutenant's crisp exterior. Lieutenant Kennedy Biltmore would have been perfectly happy if she hadn't gotten transferred to Jaden's precinct, especially considering her transfer made her his boss. And she wasn't supposed to sleep with a subordinate. Too bad they'd already crossed that line, and undoubtedly would cross it again. And again.
