

Are We Living In The End Time? - , Tim Lahaye

In the updated and expanded edition of this classic title, noted scholar Dr. Tim LaHaye gives reasons for believing that the Rapture and the Tribulation could occur during our generation. Ours is the first generation that has the technology and opportunity to fulfill many of the prophecies of Revelation. Understanding prophecy can be difficult and confusing. This book takes away all of the mystery-and the intimidation. It is user-friendly for the layperson, yet remarkably complete for the scholar.
