Dear Marketing Professional, Did you know that you're being tricked every day you go online? It's a fact! Internet Marketers ARE using "dirty tricks". (Although many of them won't admit to the fact.) Still, it's the truth! Some of them may not even realize they're using them. But some of them DO know. And it's the smart ones who are raking in the cash daily. . . What is a "dirty trick"? Well, that's easy. It is a crafty strategy used by people everyday to get a desired reaction out of another person. Or at least that's my take on them. When you think of these words, you may think "rip-off", "unethical", or "illegal". Let's get one thing straight right off the bat. The tactics explored in this report are NOT illegal. They are NOT unethical. They are NOT designed to rip people off. But they ARE a lot on the "crafty" side. Crafty or not, the point is THEY WORK. And if you're NOT USING THEM, then you're LOSING MONEY. So, why did I call this collection of tactics "Dirty Tricks" then? Because they are psychologically "sneaky". They scream out. . . "PAY ATTENTION TO ME!" And boy do they ever get that type of reaction. You're about to order this report, right? It caught YOUR attention, didn't it?
