Private Investigator Maya Walker is good at getting to the bottom of a mystery. However, she is not so good in the relationship department. Especially when it comes to expressing her true feelings for her business partner Alec Montgomery. When Alec is suddenly stricken with the flu, it is up to Maya to care for the cantankerous P.I. Alec has no problem expressing his love for Maya in his own special way, but Maya holds fast to her quickly thawing reserve. Maya is brutally attacked while investigating a ritualistic case. Alec, still fairly ill, comes to her rescue. Together they battle both personal and very real demons in an effort to wrap up their case, and discover what they really mean to one another. Will Maya trust Alec with her heart?
