

Iran And Israel: Wars And Rumors Of Wars - Mark Hitchcock

With every passing day, the stakes grow higher in the escalating conflict between Iran and Israel. What can we expect next? That's the subject of a riveting new book from bestselling prophecy author Mark Hitchcock. Iran has repeatedly declared its intention to wipe Israel off the map. And the moment Iran becomes a nuclear threat, not only the Middle East but the whole world will be in danger. A war against Iran holds frightening implications: global economic chaos, increasing Islamic tensions, and sky-high oil prices, among other things. In Iran and Israel, Mark Hitchcock brings a strong biblical perspective to these current events, answering these questions and more: Will this put us on the road to Armageddon? What can we expect in the days to come? Will there ever be peace in the Middle East? An eye-opening survey of where things stand, and how it all ties in with Bible prophecy.
