

Mp3 Ann Oswald - Now I Know

[DOWNLOAD HERE](#)

A combination of country rock and blues with some beautiful ballads mixed in. 11 MP3 Songs COUNTRY: Progressive Country, BLUES: Country Blues Details: This is Ann's most recent release. With this CD she ventures towards more blues but still includes the ballads she is well known for. It was recorded in Nashville with her long-time friend, Don Shaw. Less "commercial" than her last CD, Bone Dry, she went back to basics and relied on her own instincts as to what would work best for her musically. Some songs are serious, some are about life's experiences, and some have a taste of humor (like Front Row Seat and Midlife Blues). Never happy standing still, Ann continues to grow in her writing and vocal performances. People who are interested in Jewel Bonnie Raitt Wynonna should consider this download.
