Featuring the Top #20 Billboard Club Hit "Into the light" and The Sunrise EP is the latest offering from electronic/pop duo Cause and Effect. 8 MP3 Songs ELECTRONIC: Pop Crossover, POP: with Electronic Production Details: "The Sunrise EP" features the 2004 Top 20 Billboard Club Hit - "Into the Light." -DJ TIMES MAGAZINE "A truly incredible piece of work that will temporarily satisfy your appetite, but inevitably leave you wanting more from Cause and Effect." -THE SACRAMENTO BEE "The album is layered with laid-back grooves and swelling synthesizer patches, a perfect soundtrack to wind down from late-night clubbing." -BILLBOARD MAGAZINE "The Sunrise EP is filled with soothing vocals and warm electronics.." Album Description Cause and Effect's Robert Rowe and Keith Milo follow-up 1999's introspective "Innermost Station" with their most ambitious release to date, "The Sunrise EP." An electronic fusion of perfectly constructed pop arrangements against a backdrop of late night chilly beats and endearing uptempo vibes. Intelligent thought provoking lyrics and pleading melodies embedded in lush sonic soundscapes that are sure to captivate the senses of even the most discriminating listener. Led off by the deeply infectious first single "Into the Light," The Sunrise EP's aural collage of five emotionally engaging tracks range in style from the seductive progressive house beats of "Sunrise" to the acoustic driven bliss of "Stay." Also included on the EP are remixes by Ryan Cosboom of Halou (Netzwerk/Netzwerk America) and Andres Oscuro (Moonshine.)
